Women War Correspondents in World War II

Women Journalists obtained official accreditation from the U.S. War Department as war correspondents allowing them to send reports from inside the most dangerous areas of fighting.

"Where the action was women: War Correspondents in World War II" by Penny Colman. Grades 6-8.

During World War II, 127 women journalists obtained official accreditation from the U.S. War Department as war correspondents, allowing them to send reports from inside the most dangerous areas of fighting.

"The women who wrote the war's story of the"
june 2nd, 2020 - the women who wrote the war is about female reporters and correspondents who went above and beyond to get into the thick of things to report the truth of the war often disobeying their bosses to do so this was a highly interesting and important read but i feel as though the way it's written could have been a little better!

May 28th, 2020 - This book is a true account of the experiences of the women of WWII. Women of this time were not allowed to be in the areas of battle. The women journalist of this time went to extreme measures to ensure that they could get as close to the action as possible. 127 women obtained accreditation in order to be WWII correspondents.
March 9th, 2020 - Praise For Where The Action Was Women War Correspondents In World War II Bravery Inspiration And Dedication For A Chill Up The Spine Where The Action Was Is Hard To Beat The New York Times The Light Of Colman S Bright Prose Brings These Women To The Front Once Again And Young Readers And Researchers Will Be Astonished And Delighted At Their Bravery "where the action was women war correspondents in world"

March 11th, 2020 - During World War II 127 women managed to obtain official accreditation from the U.S. War Department as war correspondents in spite of U.S. military regulations that forbade women to cover bat
Martha Gellhorn, Margaret Bourke White, Lee Miller, and many others found ways to get where the action was. This is the exciting story of what they did.

May 3rd, 2020 - This new ethos created a pool of women with the confidence to break into the quintessential male profession of war reporting. The military, however, had its own goals and used the accreditation process as its first line of control over war correspondents. The war department refused outright to accredit women.
